

"TYLERSHIP"

Tuition assistance for Ridge Camp

These scholarships are awarded through the generosity of the Tyler P. Fick Foundation. Tyler Fick passed away at the age of 22 after a life long battle with cystic fibrosis. She loved working with the kids at Camp Honey Bee and would go home every day beaming with joy after working with them. Tyler wanted "to be someone that is remembered." The foundation's goal is to ensure that her spirit will live on through the support of charitable initiatives that were dear to her heart, which included special needs children.
